

CLOSURE OF THE TEMPORARY MUNICIPAL WASTE LANDFILL IPOTEȘTI, JUD. SUCEAVA

- **Project title: "Closure of the temporary municipal waste landfill Ipotești, jud. Suceava"**
- **Financing contract: 25242/BT/24.11.2022 concluded with the Ministry of Environment, Water and Forests within the framework of the Programme "Environment, Climate Change Adaptation and Ecosystems" (RO-Environment), financed by the European Economic Area (EEA) Financial Mechanism 2014 - 2021**
- **Project promoter:** Municipality of Suceava
- **Implementation period:** 24.11.2022 - 30.04.2024
- The Ipotești municipal temporary waste landfill is located in the outskirts of Ipotești commune, next to the Suceava landfill. The nearest village is about 2.0 km away.
- The Ipotești temporary municipal waste landfill was operational from 2014 to 2019, storing waste generated in the municipality. dd
- The total amount of waste stored at this location is 430,000.00 m3.
- **Overall objective of the project**
- Reconversion of a degraded land, with the aim of improvement, revitalization and reduction of pollution, in accordance with the legal obligations of the municipality of Suceava
- **Specific objectives:**
- Determination of the environmental impact of the closure of the Ipotești municipal landfill in 18 months of project implementation
- Planning and implementation of the action plan for the closure of the Ipotești municipal temporary landfill within 18 months of implementation
- Promotion of the proposed innovative solution for the in situ closure of the Ipotești municipal temporary warehouse, Ipotești county, Romania. Suceava, by injecting air into the body of the warehouse
- **Predicted results:**
- Conversion of degraded land, currently occupied by municipal waste, into green space;
- Improving living conditions for citizens by creating an optimal natural leisure environment
- Reducing pollution levels by creating green spaces that contribute to the chemical purification of the atmosphere, purifying the air;
- Improved aesthetics;
- Balanced and sustainable development of Suceava municipality through integrated projects approach.
